

Dance Tango with « Danza y Movimiento »

October 3 to 10, 2009

Celine Ruiz & Damian Rosenthal

Celine and Damian are a young and very energetic Argentinean/French tango couple. They dance in 2 tango companies: "Argentina" and "All That Tango" of Sebastian Arce in Paris and were very much inspired by Chicho Frumboli and Fabian Salas but have now developed a completely unique style that combines Tango with modern dance. They focus on body expression, individual dancing and meeting each other as a couple in the dance. They are playing with the music, and their changes between slowing down and acceleration are striking and fascinating.

Their classes are mostly focused on improvisation, musicality, changes in distance in the dance, leading and dissociation. Spontaneity, pleasure and a natural way of moving in the dance are very basic. They like to give you the technical skills to develop more and more your own creativity and musical expression.
