

# Dance Tango with « Danza y Movimiento »

**October 17 to 24, 2009**

Walter and MariLynne Kane

Walter and MariLynne from Harriman, NY, first met each other on the dance floor as teenagers, and have been dancing together ever since. When they crossed paths with Argentine Tango in 1997, it was love at first step. Since then, they have concentrated on that form, studying with Argentine masters Danel & Maria Bastone, Facundo & Kely Posadas, Alberto Paz & Valorie Hart and Gustavo Naveira & Giselle Anne. In January 2000, they opened their studio, El Rincón de Los Tangringos, where they have conducted group and private classes on a continuing, weekly schedule, and have run milongas regularly at multiple locations to provide social dance venues for their students to populate. They also teach at other dance studios in New York state and were instrumental in forming Hudson Valley Tango, dedicated to fostering the growth and expansion of tango in this multi-county region. They acquired much of their primary education in the dance and in the culture during their annual stays in Buenos Aires, living and dancing among the Porteños, learning from their example and earning their friendship and respect. These "*lessons of the milongas*" have helped define their instructional qualities as well. Their dancing is extemporaneous, classical and subtle. Walter & MariLynne are known for their elegance and clean execution. They teach the tango of the Buenos Aires milongas, the tango that carries the *sentimiento*, the emotional connection between the partners and with the music.

Walter & MariLynne celebrated their 50<sup>th</sup> wedding anniversary at La Rogaia in 2002 – and everyone was enchanted by their heartfelt and very personal way of dancing which also mirrors their experience in a life long partnership. We are very happy that they will return to La Rogaia to share this special experience with us !
